

Paddock Wood Neighbourhood Plan Update November 2019

Our main activity this month has been to read the appropriate parts of the TWBC draft local plan and to visit one of the exhibitions put on by TWBC. All the working groups have compiled their own comments on the plan in relation to the draft emerging Neighbourhood Plan and the daunting task at the October meeting was to collate all the comments and then to submit them to TWBC online before the deadline of 1st November. This was no mean task considering the number of documents from which the extracts relating to Paddock Wood could be found. So well done to all those involved and also to members of the public who have attempted this mammoth task.

Once the draft plan comments have been compiled it will be back to tweaking the policies and taking part in the master-planning process which TWBC tells us will be so important in shaping the future of Paddock Wood.

To keep up to date with what is going on with all aspects of the Neighbourhood Plan you are welcome to join the Steering Group at their meetings which take place in the Wesley Centre on the third Wednesday of each month at 8pm.

You can also follow the Paddock Wood Neighbourhood Plan facebook page. Further information about the Neighbourhood Plan and its draft policies can also be found on the Town Council website.
