YC 2 Minutes of last meeting & matters arising:

- Open Evening – Day Centre, May/June 2019

It was suggested that the open session for young people could be in the summer half term with a gathering at lunchtime, possibly at the Pavilion, to include fundraising for PWYC charities

- Litter Pick – April 5th, 5 – 7 pm, Memorial Field

CW reminded the group about the litter pick and will post the information on Facebook

YC 3 Community Centre Update – CW explained that there was little to report at present

YC 4 Plans for this year:

- Terms of Reference

The draft terms of reference were reviewed and some final amendments suggested (see attached final version)

- Activities List Update – the list was reviewed and amendments made
- Creation of a video/pictures – the young people had not had time to take pictures & suggested asking Town Council for local pictures, which are typical of the town. It was suggested that we could take pictures of holiday activities held in the library
- Awareness and fund raising for Jess Symonds Charities
 - Carnival – CW to ask Nichola to book a stall for Youth Council, where we could do a tombola and lucky dip. If hot, we could sell ice pops or slushies (would need to hire a machine), we should have collection buckets for donations

- Leaflets – CW to ask Marta re leaflets from Peanut Ward & the family support charity
- Logo competition – suggested we could run this at the Carnival and get it printed on t-shirts or badges

YC 5 Any other business

- Putlands Sports programme was discussed and the following will be fed back to the organisers:
 - Tai Kwon Do should be available for older children to try
 - Could indoor tennis be available
 - Could yoga be an option for older teenagers
 - Session for a fun run on athletics track
 - Offer junior gym or spin sessions for older age group
