

POSTPONED Highway Maintenance in Your Area

MAIDSTONE ROAD, TUNBRIDGE WELLS

What we plan to do and why

As part of the ongoing maintenance works to maintain and improve the highway network in Kent, we will be resurfacing the footways in **Maidstone Road**.

The footway is in a poor condition and we plan to renew it. The areas marked in red on the map overleaf, will be excavated and the existing surface will be replaced with a new black asphalt surface.

We will carry out the work in sections to try to minimise any inconvenience and every effort will be made to keep disruption to a minimum. As we will be digging up the existing footway there will be some noise and dust. If this generates any questions, please contact us via the numbers given below.

When we plan to carry out the work and how long it will take

These footway surface improvement works are programmed to start on the **20th September 2021** and are expected to take approximately **9 weeks** to complete. These activities will be undertaken between the hours of **07:00am and 17:00pm** each day.

If there is any change to this date and it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road, before we start, showing the date we plan to start work.

How you can help

We need your help to make sure the work is done as quickly and efficiently as possible. **If your vehicle is usually parked on the road, please make sure you park it somewhere else, away from the site whilst these works are carried out.** Your patience and co-operation whilst these works are undertaken will be greatly appreciated.

It is inevitable that residents and businesses near the works will experience some disruption and we apologise in advance for any inconvenience caused, but we will try to keep this to a minimum. If you have any special access arrangements or any other urgent concerns you wish to discuss, please contact us. We need your help to make sure the work is done as quickly as possible and to the best possible quality.

Covid 19 Statement

This type of highway maintenance is currently sanctioned to continue as the operation procedures can be undertaken in line with current Government and Construction Leadership Council advice. We will continue to take note and adjust to any changes in this advice, so there is a possibility that these works may be postponed at very short notice. We take the wellbeing of the public and our workforce extremely seriously, please be assured we have put in place all mitigation measures necessary to abide by the guidance currently in place.

How to contact us

If you need more information, you can visit our website www.kent.gov.uk/resurfacingupdates to find out how we look after the roads throughout Kent or report any faults you find on our roads. Alternatively, you can call us on **03000 41 81 81** or email Michael Hardy at RaFAT@kent.gov.uk.

You can also visit our website www.kent.gov.uk/highways to find out how we look after the roads throughout Kent or report any faults you find on our roads.

For your safety and the safety of our workforce, please drive carefully and slowly through the roadworks.
