YC 1 Apologies – Sophie Sugg

YC 2 PWYPOTY – Sarah, Carol & Alice had met to discuss the Paddock Wood Young Person of the Year. There had been no additional applications despite widespread circulation of cards. The award was made to the four 5th Paddock Wood Guide group who had continued to meet weekly throughout the pandemic. They had undertaken weekly challenges, completing activity badges and their gold award, which involved completing themed award badges. In addition, they had established a geocash trail around the town for the community. The judges thought that they were an example of what commitment in the face of the restrictions could achieve.

It was suggested that we might announce this at the Carnival this year, if it goes ahead or at the BBQ.

YC 3 Membership of PWYC – it was suggested we invite young people to a BBQ to enable them to discuss the role of the Youth Council and find out a bit more about this. We will need to consider current COVID restrictions when planning this. It was proposed that 26th June or 10th July might be a suitable date.

Sarah is planning a Pop Up Café on Wednesday afternoons during the summer holiday if the Pavilion is available. This will run from 2.30 to 4.30 with games and activities available. Carol & Sarah to speak to PWTC.

- YC 4 Neighbourhood Plan update – no new information at present.
- YC 5 Community Centre update
- YC 6 Face to face meetings – will return once we are able to use the Day Centre, although it was proposed we meet on one of the fields if the weather allowed.
- YC 7 Next meeting: 10th May – Alice Boyle gave apologies
