

DO YOU WANT TO BE INVOLVED?

With the successful opening of Paddock Wood Community Centre, we are now seeking Directors to take the community centre into the next phase of operation as revenues and occupation rates for the halls grow further.

The Directors have an important voluntary role, to help the Community Centre Manager grow the business operations, while retaining strong community links to serve the residents and visitors to Paddock Wood.

The Directors retain operational independence from the sole shareholder of the Community Centre, which is Paddock Wood Town Council (PWTC). There are liaison councillors which provide a feedback mechanism to PWTC via joint meetings on a regular basis.
